THE GARDENS

The gardens span across 6 acres with stunning views across the High Weald. They are planted for season long interest to bring a splash of natural colour to your day.

If you're joining us for a little longer, why not try giant Jenga, boules and rounders, a lap or two in the heated pool or a knock about on the tennis court.

*"We enjoyed a family wedding at this lovely venue,
the facilities and grounds are excellent, such a beautiful house
in a secluded, picturesque location."*

A rustic wooden arrow-shaped sign hangs from a tree branch. The sign is made of light-colored wood and features the word "Wedding" in a black, serif font. The sign is suspended by a piece of twine. The background is a soft-focus view of green foliage and a bright sky.
